

Stallions and Jacks at the Lime Stone Valley Farm, for the Season of 1893.
L. M. MONSEES, Proprietor. Smithton, Pettis County, Mo.

PIEDMONT NO. 198.

The above cut was made from a photo and is a correct representation of Piedmont 198. Piedmont 198 was sired by Denmark Chief, he by Gain's Denmark 61 son of old Denmark foundation at the saddle horse. Piedmont's first dam, Brown Mary 139, was by Vandel Denmark, he by Prince Denmark, Jr., by Washington Denmark, son of Gain's Denmark 61, you will see from the above breeding Piedmont's blood lines on both sides, trace direct and close up to the foundation horse, old Denmark by the Imp Hedgeford, thus making him one of the best, if not the best, bred Denmark stallions to-day living. Piedmont is a beautiful dark bay, small star, one white ankle, heavy black mane and tail, 16 hands high, weighs 1,200 pounds, fine style and a perfect model of a good horse. Which has been demonstrated in the show ring, not only as a saddle, but a prize winner in the roadster ring, in the model ring and in the breeding ring, and his colts are all of a uniform size, rich colors with fine style, and good saddle action, and prize winners wherever exhibited.

TERMS, \$35 to insure mare in foal, \$17.50 cash by the season. Seabird 242, half brother to Piedmont 198, sired by Leoti Pennington, a son of the grand old show and speed, producing Thoroughbred Aaron Pennington, sire of Gypsy Girl, 2:22; Dan Jennings, 2:26; and others.

Aaron Pennington by Tipperary, he by Ringgold, son of Boston, dam Lucy Fowler by Imp Albion, she is the dam of Tom Bowling who ran a mile in 1:41; also the noted race horse Calvin, is a full brother to Aaron Pennington. Aaron Pennington won first premium at St. Louis fair in 1880, over the best horses in Kentucky, Illinois and Tennessee, establishing the fact that he was the finest horse in the great northwest.

Seabird's first dam is the great saddle producing dam, Brown Mary 139, the dam of Piedmont 198, Maud Wallace 781, Seabird 242, and Alma. I don't think four better saddlers were ever produced from one mare, and as Brown Mary is yet a young mare, I expect several more fine saddlers from her. Seabird is a beautiful dark bay, black points, small star, heavy black mane and tail, 16 hands high, extra fine style, a perfect saddle and very speedy in all his gait. Seabird is yet in his infancy, but with his breeding and his individuality, I expect him to make him a very popular horse in the near future.

TERMS:—\$15 to insure a mare with foal; \$7.50 cash by the season.

ROSEMONT 241.

Sired by Montrose 106, he by Diamond Denmark, by Gain's Denmark 61, son of Old Denmark, by Imp. Hedgeford. Rosemonts, 1st dam by Black Squirrel 58, he by Black Eagle 74, by King William 67, by Washington Denmark 64, son of Old Denmark, by Imp. Hedgeford.

Rosemont 241 is a beautiful dark bay, star, and two white ankles, extra heavy black mane and tail, 15 1/2 hands high, extra fine style, a perfect model, and will make fine saddle when trained. Rosemont 241 is one of the most fashionable bred saddle stallions in Missouri. His sire Montrose 106, and the sire of his dam Black Squirrel 58, has an invincible reputation in the show and breeding ring. Montrose 106 now commands a fee of \$75. Black Squirrel 58 commands a fee of \$60, the two highest priced saddle stallions living. Why should not Rosemont 241 make a grand breeder?

TERMS:—\$15 to insure mare in foal, \$8.50 by the season.

JIM G. 19205

Full brother to Robert P. record 2:18 1/2. Black stallion 15 1/2 hands high, good bone, fine style and of great individual merit good disposition, highly intelligent and level headed. Jim G. is a Morgan bred horse, and they are one of the best families of roadsters on earth. They possess the style and finish of a fine horse, and they have a nice easy way of going, with plenty of durability and substance.

Jim G. was sired by Chas. Caffery 1043, sire of Robert P. 2:18 1/2, Kate Caffery 2:25 1/2 and others. Jim G's dam Nannie, by Long Island Chief, he by Plow Boy, son of Long Island Black Hawk. Plow Boy was bought by Vanderbilt for \$8,000.

CHARLES CAFFERY 1043

By Gen. Knox 2:31 1/2 trial 2:23 when 16 years old. Sold for \$12,000. Dam Rosalind 2:21 1/2. Sold for \$13,000. Gen Knox showed 1 mile in 1:08, Rosalind 1/4 in 1:06, and Caffery has shown same amount of speed in stud condition; Caffery's son, George Tucker, sired by Dan Tucker 2:22 1/2, and Nell, dam of Fred P. 2:45 1/2, 17 months old. This is not fast compared with California records, but surpasses Iowa, Michigan, New York and all New England, while they have sires commanding \$500 to \$1,000 fees and from ten to forty years more experience. Caffery, and Rosalind's other son, Intrigue, each have a 3, 4 and 5 year old in 2:30 list: Her daughter, (a catch mare), has two in list and she a daughter the dam of My My 2:25 1/2. Rosalind's dam Burch mare is in great brood mare list and a son sired the dam of Vic H. 2:13 1/2, and a grand son sired Belle Archer, 2:15 1/2, 4 year old. The Alexander Abdul blood has no equal in list of 1891 performers, one-third of the new 2:20 trotters carry his blood on one side or the other and no other sire can approach his list of campaigners, several of which carry it on both sides. Charleston 2:15 and Dr. Sparks 2:17 1/2, being samples. While Aline 2:16, Belle Archer 4 year old 2:15 1/2, Lobasco 2:16 1/2, Belmont Prince, 3 year old 2:17 1/2, Cheyenne 2:15 1/2, Panlico 2:16 1/2, Gold Leaf 2:16 1/2, Junemont 2:16 1/2, Bonnie Wilmore 2:14 1/2, Bellman 2:17 1/2, Grattan 2:18 1/2, and Altar 2:16 1/2, make a longer list of campaigners than any other Hambl. can show with equal records the past season and those against times such as Arion 2:10 1/2, 2 year old, Alix 2:16 1/2 3 year old, Manager 2:11 1/2, Mary Marshall 2:12 1/2. Pat Downing 2:13, Chronometer 2:15 1/2, Eghorn 2:12 1/2, Lockheart 2:14 1/2, and Birchwood 2:18, 2 year old, all carry it.

Gen. Knox with opportunities as 1 to 100 compared with Hambl, (10) has an equal number in 2:30 list, a son with double team record 2:16 1/2 and a daughter of the dam of Aubine 2:16 1/2 to pole, another daughter that once held best 5 year old record is dam of Monbars 2:16 1/2, the greatest two year old campaigner. Gen. Washington, a son, had two enter 2:20 list in '91 and is the dam of Pley 2:16. A grand son had six enter list the past season, one of which was a two year old and two three year olds. Caffery combines the blood of these two early speed producing and campaigning strains, consequently leads the 150 fashionable bred sires of Nebraska and holds the 1-2-3-4 and 5 year old state bred records, an honor held by no other sire in the United States.

Terms of Jim S. \$20 to insure mare in foal; \$10 cash by the season.

—The remnant of the Minter stock was moved last night.

—The regular meeting of the city council will be held Monday night.

—Wes Perry, colored, was liberated yesterday from a six days' jail sentence for disturbing the peace.

—Yesterday was college day in Sedalia. The old college graduates who reside in Sedalia, renewed their youth and really yelled with the boys.

—An organ grinder now has come. But from our humid eyes. Big tears do fall for poor old John. And "Nellie's sweet blue eyes."

—County Recorder Pilkington and Deputy Recorder S. A. Rose, were the recipients to-day of a box of fine ducks from Malta Bend, Saline county. An old friend, Dave Campbell, is the donor of the feathery provender.

—THE BAZOO publishes three more proposals in the chair contest to-day and owing to the fact that several others have been sent in to which space cannot be given, the time for closing the contest will be extended to next Sunday, May 7th.

—Two persons were before Recorder Rauck yesterday morning. One was charged with vagrancy and the other with being intoxicated. Both were fined, but were let go providing that they shook the dust of Sedalia off their feet. And they shook it off right speedily.

—Hense Williams, the colored man who was accused of raping Jessie Alexander, pleaded guilty to assault and was fined \$25 Friday evening. The state's witnesses, the girl and her mother, did not appear against Williams, and the charge of rape was withdrawn and the lesser offence substituted.

PURELY PERSONAL.

Points of Interest About People You Know or Hear of.

—Hon. W. F. Tuttle, of Dresden, ex-speaker of the legislature, was in Sedalia yesterday.

—N. H. Gentry, who is in Chicago attending the world's fair opening, will go to Canada on a business trip before returning home.

—L. B. Wright, the young editor of the Boonville Star, was in the city last night for the purpose of accompanying Parsons

Emerson and Hall, of the Gazette, to a "limb show." Sadly the two learned that no show of shapely limbs was on the boards at the opera house, hence they forego the anticipated feast to their eyesight.

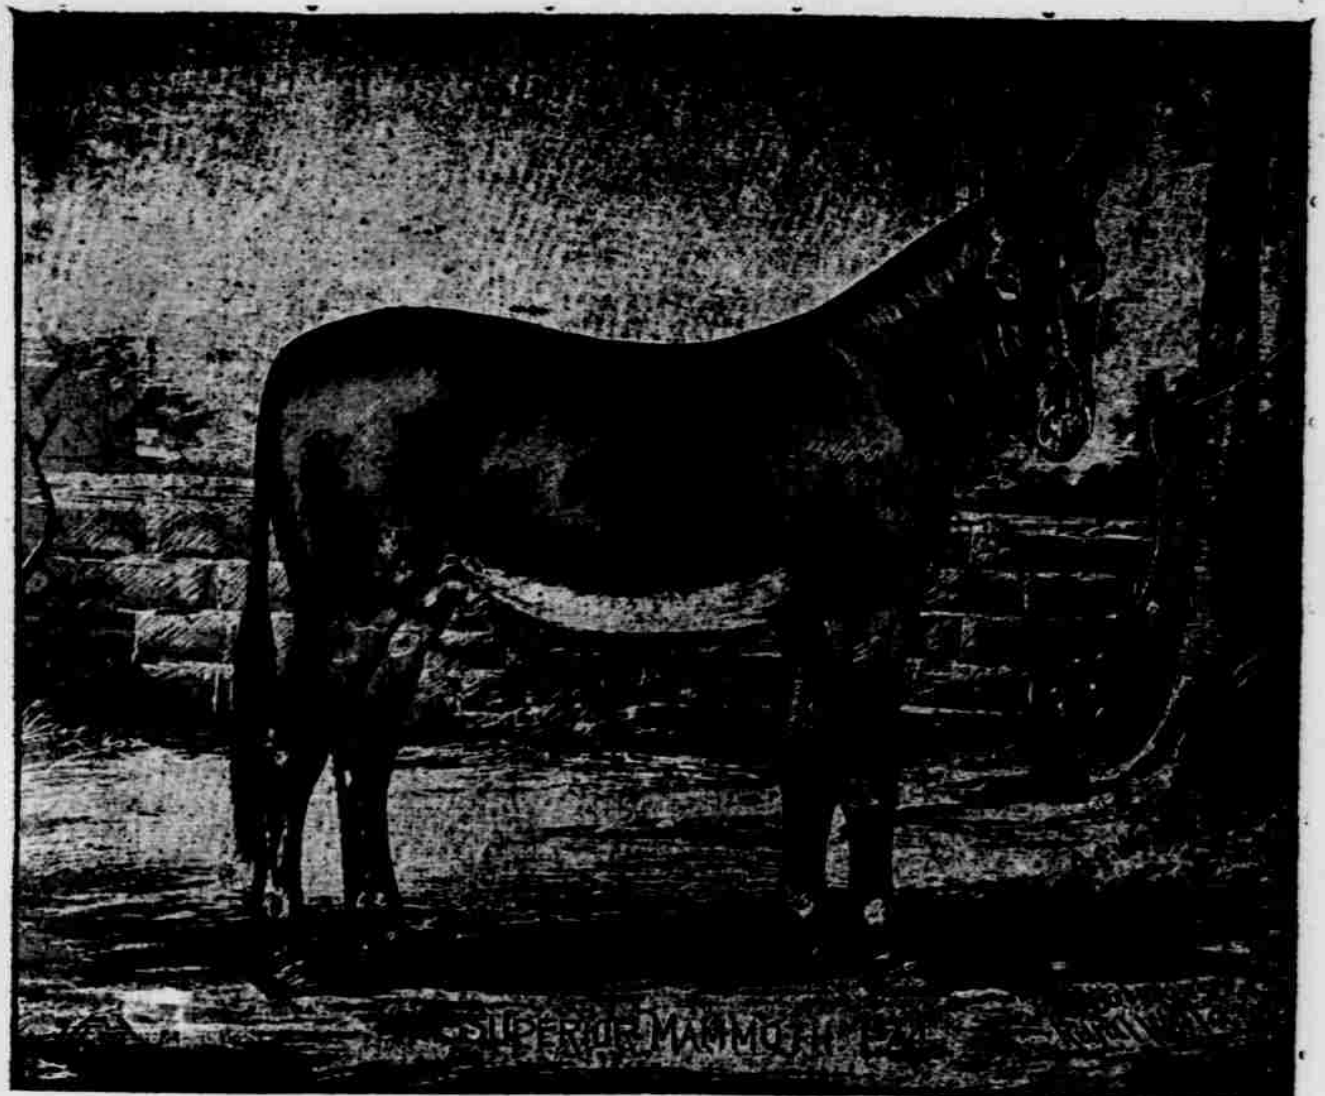

—J. J. Frey, general manager of the Santa Fe, arrived in the city in his special car yesterday morning to pass Sunday with his family. Mr. Frey came a hero, although he is a very humble citizen. The outlook of the Santa Fe strike, that Mr. Frey encountered when he took charge of that road, would have staggered many older heads, but he brought it through in good shape, and tall his old friends from Kansas to Indiana, rejoice with him in his great success.

The groom is a member of the grocery firm of Teubner and Montgomery, and is to be congratulated upon his latest acquisition.
